

Bali Dive Exploration

3/5 days live aboard

THE ULTIMATE DIVE EXPERIENCE ABOARD OUR PHINISI SCHOONER "CITRA PELANGI"

Enjoy in collaboration with 5 star Padi IDC Center "Cristal Divers" and cruising company "Sea Trek" the ultimate live aboard experience immersed in the comfort of a traditional Indonesian Schooner. Suitable for both individuals and groups our crew will bring you for 3 or 5 days effortlessly to the best dive sites around Bali where our multilingual dive masters/instructors will let you discover the splendor of underwater wild life.

SMY Citra Pelangi

SMY Citra Pelangi has been designed and equipped in line with the highest standards of boat building. Built by a professional diver the vessel has been prepared for serious deluxe cruising anywhere in the Indonesian Archipelago and is equipped for long distance cruising. Her interior is among the most luxurious to be found on the Phinisi Fleet of Indonesia.

SMY Citra Pelangi boasts 5 star diving, top quality catering and the best accommodation one could wish for up to a maximum of 14 passengers or 12 divers.

Live aboard program 3 days/5 days

MONDAY

From Dive Hotel Crystal Santai in Sanur you will be transferred at 07.30 a.m. to the harbor for boarding Citra Pelangi. Departure to **Nusa Penida**, where we will explore the area famous for dive sites such as Manta Point, Blue Corner, Seskola Dewasa. Late afternoon we will sail to Candidasa bay. Conditions allowing, we will make here a night dive. Spend the night at anchor.

TUESDAY

After a sound night of sleep we will start our explore dive program in the **Padangbai** and **Candidasa** area, where sites like Blue Laguna, Shark Point and Tepekong may be selected among others

After a long and fascinating day we will enjoy dinner while sailing to our next destination, Tulamben. Here we will spend the night at anchor, but surely not before another exploring night dive.

WEDNESDAY

Main points of interest in **Tulamben** are:

the Drop Off, the US Liberty wreck and Batu Kelibit. The US Liberty being a true must, the other sites will be selected based upon currents and weather conditions.

Upon finishing our afternoon dive, passengers ending their 3 days trip will disembark and be transferred back to Sanur.

Divers joining the trip for the second period of 3 days will be picked up early morning at Dive Hotel Crystal Santai in Sanur from where they will be transferred to Tulamben for joining the dive program of day 3.

Lunch and dinner on board, night sailing to famous Menjangan Island

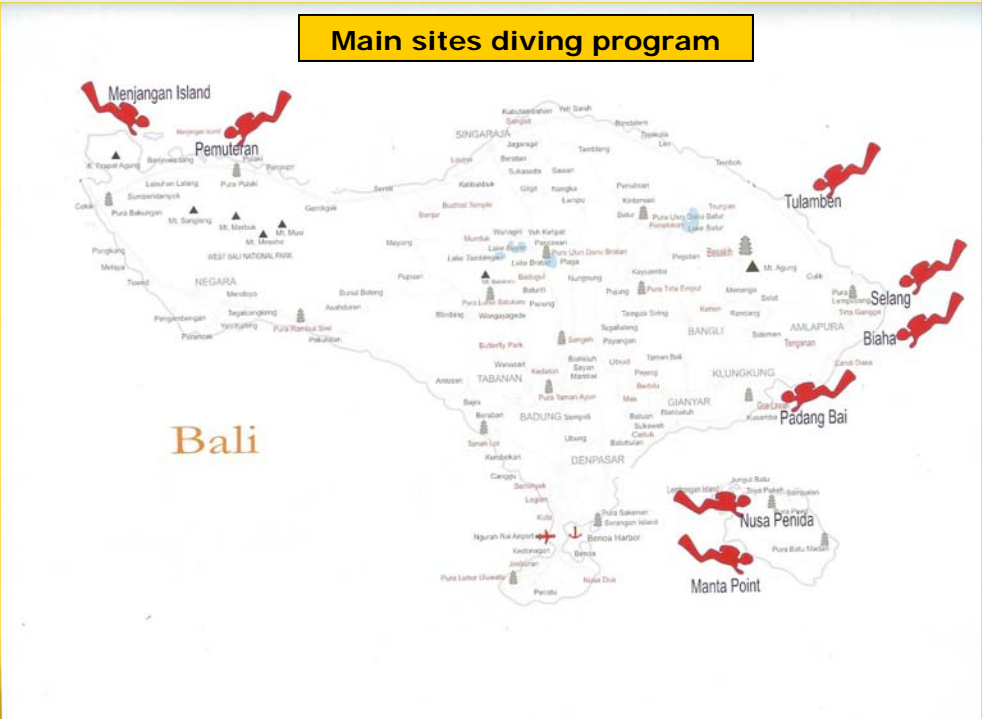

THURSDAY

Exploring the reefs off **Menjangan Island**, we may visit Eel Garden, Bat Cave or sites as yet unexplored. At lunchtime we will sail to close-by **Pematuran** area for our afternoon dives. Famous sites here are Napoleon reef, Close Encounter, but uncharted places may be explored as well. If conditions allow, a night dive will be organized. From Pemuteran we will proceed for our return sailing to east Bali.

FRIDAY

On our last day we will have explore dives in the vicinity of **Amed, Gili Selang** and **Gili Biaha**.

After lunch we will return to Bena harbor where we will disembark around 6 p.m. for our (individual) transfer to hotel or airport.
